NOTES

Samuelson Released

Victor E. Samuelson, the Esso Argentina executive who was kidnapped by the People's Revolutionary Army (ERP) on 6 December 1973, was freed by his abductors on 29 April. Samuelson, who appeared in good health, was released at the home of his children's pediatrician. He was later driven to a hotel in downtown Buenos Aires where he was questioned for more than an hour by Argentine police, according to a Reuter dispatch. Samuelson was then flown to Miami and is now at an undisclosed location in the United States. Samuelson was held for 49 days after Esso Argentina paid his captors a record $14.2 million in ransom. It has been speculated in the press that Samuelson was held for such a long period of time after payment of the ransom in order to give the terrorists time to "launder" the ransom money so that it could not be traced. Further details of Samuelson's captivity are as yet unavailable. (UNCLASSIFIED)

Panamanian Consul General	United States, Florida, Miami	Unknown

* The name of the Panamanian Consul General does not appear on a list of prominent persons in Panama marked for "extermination" which was attached to a letter thrown into the Panamanian Consulate in Miami, Florida. (See 24 April issue, page B-I-7.) The letter contains details of heretofore unspecified political information an anonymous caller offered for $250,000 outlining a plot to overthrow the Government of Panama. Vague mention of a list by the caller was apparently mistakenly interpreted by Consulate personnel to mean the Consul was on a rumored list of Cuban exile leaders in the Miami area marked for assassination. The FBI is investigating the incident. (UNCLASSIFIED)

NOTES

Sentencing of Turkish/Palestinian Terrorist Group in France

Eight self-confessed members of the left-wing Turkish Popular Front and the widow of a Turkish urban guerrilla leader were sentenced on 10 May in Paris to prison terms ranging from 6 to 13 months on charges of illegal possession of arms and explosives seized during a raid on their villa on 20 December 1973, according to Reuter, Paris. (For details on the mission of the Turkish/Palestinian terrorist group arrested in a villa outside Paris, see the issues of 3 January, page 1; 16 January, page 4; 23 January, page 12; and 27 February, page 5.) The Reuter report adds that four others picked up in the same raid, including two Palestinians and an Algerian, were previously released on an undisclosed date, and that the Turkish Popular Front was linked with the Popular Front for the Liberation of Palestine in the preparation of terrorist actions throughout Europe. CHRONOLOGY OF SIGNIFICANT INTERNATIONAL TERRORIST ACTS

DATE	PLACE	EVENT
7 May 1974	Haiti, Port-au-Prince	Explosion at Pan American Cargo Facility. An explosive device which had been shipped in a fertilizer package by air cargo from Miami, Florida, exploded at Port-au-Prince airport causing extensive damage to the Pan Am cargo facility but no injuries to personnel. The package had been addressed to the brother of the Haitian Minister of Interior. A second parcel bomb package, addressed to an officer of the Presidential Guard, was discovered at the same facility and placed in safe keeping. (See Notes.) (UNCLASSIFIED)
8 May 1974	Lebanon, Beirut	Bombing of USIA Regional Service Center. An explosive device placed against the outside of the reinforced concrete wall of the USIA Regional Service Center blew an 18x24-inch hole in the wall. The shaped plastic charge did not cause any major damage to the printing presses or any personnel injuries. Investigation by Lebanese Army bomb experts determined that the preparation and installation of the charge had been accomplished in a professional manner. The Lebanese Socialist Revolutionary Movement (Shibbu gang) claimed responsibility for the act. (See Notes.) (UNCLASSIFIED)

Cuban Exile Group Claims Responsibility for Bombing Cuban Installations in Mexico and London

A leader of the Cuban National Liberation Front (FLNC), a Miami-based Cuban exile terrorist group, told an FBI source that the FLNC was responsible for the 14 May bombing of the Cuban Consulate in Merida, Mexico. He added that the FLNC does not send explosive material to its small group in Mexico but forwards money to the group so that it can purchase explosives and carry out bombings.

On 9 May the Miami News contained a brief story about the bomb that exploded next door to the Cuban Embassy in London earlier that day, and said that a spokesman for the FLNC had informed the newspaper that the FLNC was responsible. (Comment: The bombings in Merida and London were described in the issue
